Wow, what a summer it has been! July came and went in a flash! Hope everyone is having a great summer and staying as cool as possible.

We would like to thank everyone that came to our 4th of July event! It was a scorcher, but it didn't stop the event from being a success. There was a good selection of food trucks, merchandise vendors with a variety of things, entertainment by the Finally Friday Band and the fireworks that wrapped it all up were amazing!

Go ahead and mark your calendars for next year! Our celebration is always the Saturday before the 4th of July!

Summer storms are upon us, sometimes without any warning. Stay aware and take an active role in your safety.

- When thunder roars, go indoors! Move from outdoors into a building or car with a roof.
- Pay attention to alerts and warnings.
- Avoid using electronic devices connected to an electrical outlet.
- Avoid running water.
- Turn around. Don't drown! Do not drive through flooded roadways. Just six inches of fast-moving water can knock you down. One foot of moving water can sweep your vehicle away.

Should you need to report any hazards to Duke Energy call 1-800-769-3766.

If you have something you would like to share in our monthly newsletter, please contact Town Hall at 803-927-1927 or email us at townofsharon@comporium.net.
